DETAILED ACTION

The indicated allowability of claim 35 is withdrawn in view of the newly discovered reference to Timm, et al.. Rejections based on the newly cited reference follows.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 35 is rejected under 35 U.S.C. 102(b) as being clearly anticipated by Timm, et al. (US 4,237,623). The features of the instantly rejected claim are structurally met by the reference.

Conclusion

Claim 43 depends from cancelled claim 33. Correction is required.

Claims 36-43 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claims 1-17 and 44-46 are allowable over the prior art.
